...and make sure not to overlook the lists of projected FUTURE buys

2. Discuss your capabilities with a TACOM LCMC Small Business Specialist (numbers are inside this flyer). But before you call...

✓ Be prepared to be specific. Identify your products and not your processes, or describe ways you can meet a need that others can't.

3. Be proactive! Attend Federal procurement trade fairs, stay in close contact with local SBA offices and business organizations, and take advantage of the many excellent online research tools at your disposal --
